Warranty

Summit Solutions 356 LLC warrants that the scope of work will be performed in a workmanlike manner and will be reasonably free of defects in material and workmanship for a period of twelve (12) months from the date of the final invoice. If any defect is discovered and written notice of such defect is delivered within the warranty period, the obligations of Summit Solutions 356 are expressly limited to the repair or replacement of the defective work and do not extend to any damage or harm resulting thereby or therefrom. Summit Solutions 356 shall have the exclusive right to determine whether the defect should be corrected by repair or replacement. No other warranty, whether expressed, implied or statutory including, without limitation, shall exist with respect to the services and materials provided under this estimate.
